Exhibitors that are not UHJA members who are showing at approved UHJA shows \ must pay a non-member fee. If showing in classes where the rider could receive points (see above) the rider must pay the non-member fee. Horses and ponies should be registered with the UHJA. Registration forms are available through the UHJA Horse Show Committee Secretary, on the UHJA web site (www.uhja.org) and at recognized shows. Horses showing in restricted divisions (ssss) will not be given an award if the horse registration form has not been completed before the end of the Medal Finals.

There is NO FEE for the initial registration of a horse. If an owner changes a horse's name during the show year a new registration form must be completed and filed with the UHJA Horse Show Committee and a \$5 fee paid. Points will not be combined for a horse shown under multiple names unless the forms are filed and the fees paid before the end of the Medal Finals.

ARTICLE III -- DIVISION SPECIFICATIONS

All riders must be neatly and appropriately attired for the classes they are entering and have their horses properly presented. A show may prohibit an entry from competing in a class if they are not suitably presented. Riders in jumper classes, who are not wearing hunt attire, must wear a shirt with a collar and it must be tucked into their breeches.

From the USEF Rule Book (GR8 01 Dress)

It is compulsory for all persons at Federation licensed or UHJA approved shows, hunter, jumper or hunter/ jumper competitions when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. A Show Committee must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience.

For all exhibitors competing in the hunter, jumper, or hunter seat equitation section, if a rider's chin strap becomes unfastened, the rider may stop, re-fasten the chin strap and continue his/her round

without penalty or elimination. A judge may, but is not required to stop a rider and ask them to refasten a chin strap which has become unfastened, again without penalty to the rider

It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show Committee, and Licensed Officials are not responsible for checking headgear worn for such compliance.

The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

Boots or shoes worn while riding anywhere on the competition grounds must have a distinguishable heel.

Competitors must display the correct number which must be clearly visible while performing in any class unless otherwise stated in the prize list. Competitors may be penalized at the discretion of the judge.

All UHJA year-end award classes may be held when there are only one or two riders. Non recognized classes with fewer than three entries may be combined or canceled. Only classes that state they may be combined can be. If a division is combined on one day of the show and there are sufficient entries on the next day of the show to hold individual classes they will be held separately.

HUNTER DIVISION CLASSES

At least 50% of the fences for hunter classes must be at the stated height and the remainder may only be 2" over or under that height (any first fence, brush fence, ditch or bank excluded). Care should be taken by course designers when setting fence heights in a smaller arena.

All horses must be serviceably sound. Horses may be penalized or refused an award if they show evidence of lameness, broken wind or loss of vision.

In classes for Amateur riders: **MANNERS WILL BE EMPHASIZED.** In classes for junior riders: **MANNERS WILL BE EMPHASIZED AND EXTREME SPEED WILL BE PENALIZED.** In classes for Ponies: **MANNERS AND SUITABILITY OF THE PONY FOR THE RIDER WILL BE EMPHASIZED AND EXTREME SPEED WILL BE PENALIZED.**

In the case of inclement weather competition management may permit the use of bell boots.

OVER FENCE CLASSES: Horses are to be judged on an even hunting pace, manners, jumping style together with faults and way of moving over the course. Jogging is not required unless there is a question about the soundness of an entry. Judges must penalize unsafe jumping and bad form over fences, whether touched or untouched.

HUNTER CLASSICS: All riders will compete over the first course. A minimum of the top eight riders will be required to jump a second, shortened course. Scores from both rounds will be added together to determine the placings.

UNDER SADDLE CLASSES: Horses are to be shown at a walk, trot and canter both ways of the ring. Light contact with the horse's mouth is required. Horses should be obedient, alert, and responsive and move freely. They should not be eliminated for

slight errors. Horses may be asked to hand-gallop, collectively, one way of the ring, at the discretion of the Judge. No more than eight horses will be asked to hand-gallop at one time. (Horses are not to hand-gallop in Baby Green, Pre-Green, Green, Children's, Adult Amateur, Short Stirrup and Long Stirrup classes.) A hunter under saddle class cannot be the first class held in that division.

HUNTER AND JUMPER SEAT EQUITATION DIVISION CLASSES

HUNTER SEAT DIVISION CLASSES: Riders should wear coats of any tweed or Melton for hunting, breeches or jodhpurs, and boots. Conservative colored, regulation headgear is mandatory. Spurs, crops or bats are optional. Judges may penalize exhibitors who do not conform. Regulation snaffles, pelhams and full bridles, all with cavesson nose bands, are recommended. Judges may penalize a horse with unconventional types of bits or nose bands. Boots and conservative colored bandages are permitted. Type of saddle is optional. Martingales are permitted in classes over obstacles and in the jumping phase of classes requiring both jumping and flat work. They are prohibited on the flat in any class or phase.

JUMPER SEAT DIVISION CLASSES: Riders should wear coats of any tweed or Melton for hunting, breeches or jodhpurs, and boots. There are no saddle restrictions. Change of bridle is permissible, between phases. Blinkers are forbidden. No martingales are permitted in the flat phase. Only running martingales, used in the conventional manner, are permitted in the jumping phase. Reins must be attached to the bits or directly to the bridles. Gags and hackamores are not allowed in the flat phase.

SOUNDNESS: Unsoundness does not penalize a competitor unless it is sufficiently severe to impair the required performance. In such cases, the imposition of a penalty is at the judge's discretion.

JUMP ORDERS: Jump orders are to be used in all over fence equitation classes. The methods for selecting the jump order and the rules for placement of late entries are to be stated in the premium list.

OVER FENCE CLASSES: Except for refusals, jumping faults of the horse are not to be considered unless it is the result of the rider's ability. The following will result in elimination: a) fall of horse and/or rider; b) three cumulative refusals; and c) off course. The following constitute major faults and may be cause for elimination: a) a refusal; b) loss of a stirrup; c) trotting while on course, when not part of a test; d) loss of reins. Each contestant may circle once, if desired, before the first jump. He shall then proceed around the course keeping an even pace throughout. Three cumulative refusals will eliminate. If a refusal occurs at a double or triple combination, riders will re-jump all elements of the combination. Any or all contestants may be called back to perform at a walk, trot and canter or to execute any of the appropriate tests included in the class requirements.

NOT TO JUMP CLASSES: Contestants will enter the ring and will proceed at least once around the ring at each gait and, on command, reverse and repeat. Light contact with the horse's mouth is required. Entries will then line up, on command. To be judged on hands, seat and the ability of the rider to handle the horse. Any or all riders may be required to execute any of the appropriate tests included in the class requirements.

JUMPER DIVISION CLASSES

SCORING: Jumpers are scored on a mathematical basis and penalty faults, which include: disobedience, falls, knockdowns, touches and time penalties that are incurred between the starting line and the finishing line. Tables for scoring jumper classes are listed in the USEF Rule Book.

In the case of a tie for other than first place, a coin toss, or other such method, will be used to award ribbons, if duplicates are not available. If any prize money is involved in a tie, the money for the

places tied for will be added together and divided equally among the tied entries. If another method for breaking a tie is to be used (i.e., time of the first round) it must be stated in the premium.

JUMP ORDERS: Jump orders are to be used in all jumper classes. The method for selecting the jump order and the rules for placement of late entries may be stated in the premium list.

SOUNDNESS: Unsoundness will not be penalized unless it is sufficiently severe to be considered an act of cruelty, in which case management must bar the entry from further participation.

AMATEUR DIVISION QUALIFICATIONS

Exhibitors in amateur classes, who do not have a copy of their USEF amateur card on file with the UHJA, will be required to sign a form stating that they qualify as an amateur before entering an amateur class.

FROM THE USEF RULE BOOK - GR13 06 Amateur Status:

h. Accepts remuneration AND acts as an agent in the sale of a horse or pony or accepts a horse or pony on consignment for the purpose of sale or training that is not owned by him, his cohabitant, or a member of his family, a farm/ranch/syndicate/partnership/corporation/business in which he, his cohabitant or a member of his family controls.

For the purposes of this rule, the term cohabitant is defined as any

individuals living together in a relationship, as would a married couple, but not legally married.

6. Violations of Amateur status. After an investigation as to proper status has been initiated, and upon request by the Federation and to the satisfaction of the Federation, an Amateur shall submit verifiable proof of Amateur status, including but not limited to a bill of sale for any horse(s) the Amateur is competing in classes restricted to Amateur Owners. If the Federation deems such proof insufficient, then the Federation may initiate proceedings under Chapter 6.

a. Any individual found to have knowingly assisted in the violation of the Amateur rule may also be subject to proceedings in accordance with Chapter 6. See GR1307.

7. Questions about whether you are an Amateur or Professional. For specific inquiries, email amateurinquiry@usef.org.

CHANGE OF STATUS: Any person who has been considered a professional and wants to have their amateur status reinstated must submit a written request to the UHJA Board of Directors stating that they have not engaged in any activities that would make them a professional during the past year. This statement needs to be signed by them and a UHJA member in good standing. The board will then review the application and rule on the request to reinstate their status as an amateur.

CLASSES RESTRICTED BY THE AGE OF A RIDER

The age of a rider as of December 1, will be maintained throughout the show year.

PONIES

Ponies must be shown and handled by a junior rider (17-under) in classes restricted to ponies. Adults may, however, ride ponies in classes where fence heights do not exceed 3'. Suitability of the pony for the rider will be a criterion in judging. Adult riders may show ponies in jumper classes at any height.

ARTICLE IV -- UHJA SHOW RATINGS

"A" RATED UHJA SHOW REQUIREMENTS:

1. Shall have a USEF licensed Judge for all hunter and equitation classes (except the UHJA Jumper Seat Medal class) that will count toward UHJA year end awards.
2. Shall have a USEF licensed Judge or qualified Judge approved by the UHJA Horse Show Committee for the UHJA Jumper Seat Medal and all jumper classes that will count toward UHJA year end awards.
3. Shall have a USEF licensed Steward or a Steward approved by the UHJA Horse Show Committee. Each steward at a UHJA approved show will be given a questionnaire to fill out and return to the UHJA President within five (5) days after the end of the show. This report will give information about any rules that were not followed at the show, any problems that occurred at the show (including but not limited to abuse, unsportsmanlike conduct, exhibitors asked to leave the show grounds, rules not followed by the show, etc.), any protests that were filed, new memberships collected at the show, measurement of ponies, horse registration forms filed, etc.
4. Shall have a minimum of two and a maximum of four over fence hunter classes for any division. All hunter classes for a division must be held on consecutive days during the show. Only one hunter under saddle class may be held that will count toward a division award. In equitation divisions: only one over fence class and one not to jump class may be held during a show that will count toward an equitation award.

"B" RATED UHJA SHOW REQUIREMENTS:

1. Shall have a USEF licensed or learner Judge or a qualified,

non-local judge approved by the UHJA Horse Show Committee for all hunter and equitation classes (except the UHJA Jumper Seat Medal class) that will count toward UHJA year end awards.

2. Shall have a USEF licensed Judge or qualified Judge approved by the UHJA Horse Show Committee for the UHJA Jumper Seat Medal and all jumper classes that will count toward UHJA year end awards.
3. Shall have a USEF licensed Steward or a Steward approved by the UHJA Horse Show Committee. (See item #3 above for "A" Rated UHJA Show Requirements.)
4. Shall have a maximum of two over fence classes for any hunter division. All hunter classes for a division must be held on consecutive days during the show. Only one hunter under saddle class may be held that will count toward a division award. In equitation divisions: only one over fence class and one not to jump class may be held during a show that will count toward an equitation award.

See the current USEF Rule Book, Article 804, for rules governing showing before a judge when there may be a conflict of interest (business dealings, training, lessons, etc.).

Judges may judge only one UHJA Rated hunter show each year. Judges may judge more than one jumper show each year including the Jumper Seat Medal class at those shows.

An individual may not be a steward at a show on the same day that they are also showing.

Shows that are not "A" or "B" Rated UHJA shows and/or are not USEF Member Shows will be considered a schooling show. Showing at schooling shows will not affect a horse's or rider's status with the UHJA. (See the Schooling Show section of this rule book.)

A recognized show may offer a schooling section or warm-up classes at the show that will not affect a horse's or rider's status with the UHJA. These classes must be held either at the start or at the end of the day of a recognized show. Premium lists should clearly show those classes that will not affect a horse's or rider's status.

Championship and reserve championships must be offered at shows where a hunter division is held over two days.

ARTICLE V -- VIOLATIONS

The following are considered violations of the UHJA rules (but not limited to):

1. Violation of any of the rules of the UHJA or USEF.
2. Knowingly misrepresenting the status of a horse or rider.
3. Acting in a manner deemed improper, unethical, dishonest, unsportsmanlike, or prejudiced to the best interests of the UHJA.
4. Physically assaulting a person or displaying cruelty toward a horse.
5. Administering any drugs that might act as a stimulant, depressant, a tranquilizer or local anesthetic that might affect the performance of a horse. Administering any drugs that may mask the presence of the above drugs. (USEF Rule: Exhibitors, owners, trainers and veterinarians are cautioned against the use of medicinal preparations, tonics, pastes, and products of any kind, the ingredients and quantitative analysis of which, are not specifically known as many of them may contain a forbidden substance.) The UHJA is in accordance with the USEF drug ruling. At UHJA and USEF Recognized competitions, all entries are subject to drug testing. Testing at UHJA shows must be done in a timely manner, before the end of the day. (The USEF Drugs and Medications pamphlet is available, without charge, through the USEF.)
6. Payment of monies due to the UHJA or payment of entry fees at approved UHJA shows with "Non-sufficient Funds" checks that are not honored within five (5) days following

notification by the bank.

Anyone knowingly violating any rules of the UHJA or the USEF may be suspended from the UHJA or UHJA approved shows and also lose points and forfeit trophies, ribbons and prize money won in connection with the violation.

If abuse or other misconduct is seen at UHJA approved shows, these incidents should be reported, immediately, to the Show Steward and Show Management. These individuals will have the authority to act on any violations reported at the show. Any such instances will be included in the Steward's report. If an individual is involved in several occurrences or if the Steward feels that an individual occurrence should be acted upon, the UHJA President will be notified and will call a meeting of the Protest Committee appointed by UHJA Board of Directors. They will meet to decide, by a majority vote, if any further action needs to be taken and what penalties, if any, should be imposed (including but not limited to: censure, suspension from the UHJA and UHJA approved shows of an individual or horses trained or owned by a suspended individual, forfeiture of any points, awards, or prize monies received in connection with the violation). All parties involved will be invited to attend this meeting (10-day written notice). An individual may appeal any decision made by filing a written appeal with the UHJA President within seven (7) days following the meeting of the Protest Committee. At that time another meeting of the Protest Committee will be called (following the above procedures) to consider the appeal.

PAYMENTS WITH "NON-SUFFICIENT FUNDS" CHECKS

Individual shows will decide amounts for collection fees for NSF checks and methods for repayment. These rules must be stated in the premium list. ***In the event a horse show manager receives a NSF check, the payer will be given 30 days to redeem the check. Should he/she fail to do so, the horse show manager may then notify the UHJA Board of Directors, in writing (describing the attempts to collect these funds), of the default. The defaulting party and any riders or horses will be suspended from competition until the debt is cleared. The suspension will be posted on the UHJA web site (www.uhja.org).*** Other show managers will also be notified. Shows may require cash payments for entry fees if there have been problems in the past with payment of fees with NSF checks. If any amounts have not been collected by the end of the show season, any year end awards that the exhibitor may receive will be forfeited.

The above procedures will also apply to any money paid to the UHJA for any reason that has been paid with an NSF check.

ARTICLE VI -- COMPLAINTS AND PROTESTS

A written complaint or a protest about a suspected violation of any rule at a recognized UHJA show may be filed with the President of the UHJA or with the Show Steward. It may be filed at the Horse Show and, if possible, handled there. If not, it must be submitted within 48 hours of the close of the show in which the suspected violation occurred. It must list the names and addresses (if available) of all involved parties and the nature of the complaint or protest.

A protest must be accompanied by a \$25 fee, which will be returned if the protest is held valid. The protest will be turned over to the Protest Committee. Upon receiving the protest the Protest Committee will meet and decide, by a majority vote, if the protest is valid. All parties involved will be invited to attend this meeting (10-day written notice). The complaint or protest will be given to those accused of a violation with the 10-day written notice. Discussion of a protest being filed should be limited to the meeting of the Protest Committee. Discussion outside of the meeting of the committee should not occur. If the Protest Committee receives a report of outside discussion, they may consider this in their

decisions. The protest and the results of the Protest Committee's meeting will be made available to the UHJA membership.

Procedures will be followed according to the USEF Rule Book, section GR603 and section GR606 if not covered here.

An individual may appeal any decision made by filing a written appeal with the UHJA President. At that time another meeting of the Protest Committee will be called to consider the appeal.

Complaints will be handled by the UHJA Board of Directors. If further information is needed, a meeting will be called and all those involved in the complaint will be invited to attend.

ARTICLE VII -- REQUIREMENTS FOR UHJA SHOW APPROVAL

To receive UHJA approval for a show, an application/contract must be completed, signed and sent to the UHJA Horse Show Committee, with a \$50 deposit. The application/contract must be received by December 1st for the coming year. This application/contract must be received before the dates will be reserved for a show.

Shows outside of the state wishing to hold UHJA Equitation Medal classes, must apply to do so with the UHJA Horse Show Committee at least six weeks prior to the show date. Requirements for judges and stewards must be met and class specifications for each medal class must be followed. Results must be sent to the UHJA Horse Show Committee Secretary within two weeks following the end of the show.

With respect to established shows, in cases where two or more applications/contracts are received for the same dates, the Horse Show Committee will assign the dates to the sponsor of the previous year's show only if the quality of the show was deemed to be up to the UHJA rated show standards. The Horse Show Committee would take into account any problems or concerns raised, as shown by any protests filed (either with the show itself or with the facility at which the show was held) after the previous year's show. Open dates will be assigned on a first come, first served basis.

Future hunter shows may not be scheduled in consecutive weeks. If the date holder of a UHJA hunter show agrees to the scheduling of a show the week before or after their date, it will be permitted with the approval of the UHJA Horse Show Committee.

The members of the UHJA Horse Show Committee will be notified when a show's application/contract has been received. The show dates will be approved unless a concern is raised by a committee member (either about the show itself or about the facility at which the show is being held). In this case, a meeting of the UHJA Horse Show Committee will be called to take an actual vote on the approval of the show. The show's management will be notified of the meeting and invited to attend.

UHJA approved shows not following the specifications outlined in the application/contract for a show or the rules found in the UHJA Horse Show Manual & Rule Book may be subject to fines, suspension, and forfeiture of show deposits, a probationary period, or other actions. Any penalties will be decided by a majority vote of the UHJA Horse Show Committee.

Approved shows must be held within the state of Utah.

Approved shows are to be held from **March 1** to October 31, during any year.

Shows outside of Utah may hold UHJA Equitation Medal classes.

Groups or individuals wanting to put on an approved UHJA show need to have a qualified horse show manager who has had experience putting on hunter/jumper shows. If they do not have such a person, the UHJA Horse Show Committee can appoint someone to help with the planning of the show. Shows being held at a new facility must include a description of that facility (including ring size, footing, parking area size, stabling availability, warm-up area, etc.) with their application/ contract. If the show is at a new location or if it is being put on by a new individual or group it is

recommended that a "schooling" show be held before the rated show.

If a recognized show must be canceled for any reason except unavoidable causes (weather, etc.) the show deposit will be forfeited unless the dates that have been reserved for the canceled show may be used by another show in which case the deposit can be refunded. If the dates are taken by another show, there must be time to approve the new show (grounds, premiums, Judges, etc.) and to mail premium lists out at least three weeks before the closing date for entries. If a premium list has already been mailed out for the canceled show, the new show may use that one. The show must mail a notification of any changes in the show to all persons who received the original premium.

If a recognized show has started and then must be canceled or suspended (due to bad weather or other causes) the classes may be rescheduled during the remaining show dates or on the first day following the end of the show. Entry fees for any canceled classes must be refunded in a timely manner. Entry fees must also be refunded, in full, to those exhibitors who chose not to show in classes that are rescheduled on the day following the scheduled end of the show.

If a recognized show must be canceled before it has started (due to weather or other circumstances) the show may have "rain" date stated in the premium list. The show's management must notify everyone who received the original premium about the show's status. Entry fees must be refunded, in a timely manner, to anyone who does not want to show on the rescheduled date.

Duplication of dates will not be allowed except where two approved shows are held more than 200 miles apart.

Shows must comply with the rules and regulations covered in this rule book. UHJA rules which are in direct conflict with USEF rules will not be followed at USEF Member shows that have UHJA approval. UHJA rules which are not in conflict with USEF rules must be followed at those USEF Member shows with UHJA approval. The USEF Rule Book will be used for all rules not covered in this rule book.

Only classes meeting the award specifications will count toward the number of required classes for show approval and toward the UHJA year end awards. High point award classes cannot be divided and held as more than one class.

All classes for a given division must be held on two consecutive days.

There will be one person hired as a steward at the Annual UHJA show and the UHJA Fall Classic and Medal Finals

ARTICLE VIII -- PREMIUM LIST REQUIREMENTS

At least six weeks before a show, premium lists must be submitted (by registered mail or in person) to the UHJA Horse Show Committee chairman or secretary for approval by the committee. The document submitted must contain the following information:

1. **UHJA SHOW RATING:** If the show is a UHJA "A" or "B" rated show and if it is an USEF Member show. Any "schooling" sections or classes must be clearly shown in the premium list.
2. **CLASS LIST AND PROPOSED SCHEDULE:** including fence heights for each class and the tables being used to score jumper classes. Any special, local rules concerning class requirements or specifications must also be shown.
3. **JUDGE(S)**
4. **STEWARDS(S)**
5. **COURSE DESIGNER(S)**
6. **ENTRY FEES** and all other fees including office ground and stall fees.

8. **TROPHIES, RIBBONS** (to what place) and **PRIZE MONEY**, if

any (including the distribution).

9. **SABLING INFORMATION**, for shows of more than one day in length. This should include the location of the stabling and a number to call, as well as the type of stalls, fees, bedding and feed availability, etc.

10. **A MAP** and directions to the horse show, including road conditions if all roads are not paved.

11. **A UHJA MEMBERSHIP APPLICATION**

12. The following statement must be included on all entry blanks: "Each entry blank must be completed, accurately giving the correct names of the horse(s), rider(s) and owner(s). The horse show office must be notified when changes are made. If an entry form is not completed accurately, points may be forfeited in classes where erroneous information was given."

Prize lists must be mailed out to all UHJA members **requesting them** and be postmarked at least three weeks before the **closing date** for entries to the show. **They must also be posted on the UHJA web site three weeks before the closing date for the show.** A \$10 per day fine will be charged for failure to do so. Future shows will not be approved until this fine has been paid. A current copy of the UHJA membership list will be sent to the show's management upon approval of their show.

Corrections to the premium list must be mailed out if they will greatly affect entries to a show (class specifications, fence heights, Judges, jumper tables, etc.). Any changes (including typing errors) must be posted in the show office. (The UHJA Horse Show Committee will notify a show if they believe that notice of these corrections should be mailed out.)

Any changes in the order of the classes cannot be made without at least 12 hours notice to all exhibitors involved or verbal agreement from each exhibitor at the show. All changes should be posted in the office the day before the classes are to be held.

Additional classes may only be added at the end of a day's schedule.

Show management must submit their show results and any new memberships, with money collected, to the UHJA Horse Show Committee secretary within the two weeks following the last date of their show. A fine of \$5 per day will be charged thereafter.

ARTICLE XI -- FACILITIES AND SHOW CONDUCT

Below is a brief list of basic requirements for facilities required for an approved UHJA show and a general outline for show conduct: A complete list of requirements can be found in the current USEF Rule Book.

Shows must agree to follow these guidelines at their show, as close as possible. A waiver may be given, under special circumstances, if application is made to the UHJA Horse Show Committee.

1. **ARENAS:** The minimum size for the arena should be 80' by 175'. Rings should never be less than 80' in width. Footing should be the major consideration in the show and schooling rings. It should be as safe and as even as possible and be free of holes, debris and other obstacles. Distractions near the arena should be avoided, whenever possible (loose horses, hot walkers, moving vehicles, etc.). If there have been problems or concerns at past shows at a given facility (about ring size, footing in the ring, etc.) a meeting of the UHJA Horse Show Committee will be called and a vote taken for approving a show at that facility. Show management will be contacted and the concerns of the committee stated to see if a solution can be worked out.
2. **WARMUP AREAS:** The warm-up area must be a minimum of 7,500 square feet in size (approx. 75' by 100'). Footing should also be a major consideration in the warm-up area. It should be as safe and as even as possible and be free of holes, debris and other obstacles. Distractions near the warm-up area should be avoided, whenever possible (loose horses, hot-walkers, moving vehicles, etc.). The warm-up area must contain at least two fences with three pairs of standards (one vertical fence and one oxer) and ample poles and cups for the fences and for ground lines. The area should be large enough to hold the two jumps and at least ten horses and riders. If the area must be fairly small (due to bad weather or other problems) it is suggested that fences be flagged so that they can be taken only in one direction. For classes held after dark, a lighted warm-up area must be provided. The warm-up area should be within hearing distance of the announcing system. If there have been problems or concerns at a past show at a given facility (about warm-up area size or footing) a meeting of the UHJA Horse Show Committee will be called and a vote taken for approving a show at that facility. Show management will be contacted and the concerns of the Committee stated to see if a solution

can be worked out.

3. SHOW GROUNDS: There should be a designated parking area for horse trailers that is separate from the ring and warm-up areas. If possible, someone should be available to direct parking. Water should be ample and easily accessible on the show grounds. A separate area for spectators, away from the horses, should be provided. Shows of more than one day in length must provide covered stalls and/or a list of stabling facilities that are within a 30 minute drive of the show grounds. Enough stalls must be provided for exhibitors requesting them by the closing date of entries.

4. JUMPS: All jumps used should be safe, stable and suitable for the given class. In hunter classes, jumps should simulate those that would be found in the hunt field (natural fences, gates, walls, etc.). A ground line is required for all hunter fences. Oxers used in hunter classes may not be square (a difference of 3 to 6 inches in the height of each element is recommended) and "striped" poles and jumps made up of three elements are prohibited. Solid fences (walls, coops, etc.) used in hunter classes should have a pole as the top element of a fence or have a pole above and beyond it. In jumper classes, brush jumps must have a pole resting above the jump or above and beyond it. It is recommended that all jumps less than 20 feet in width have wings at least 24" wide (mandatory in hunter classes).

5. COURSES AND JUMP ORDERS: Courses for all over fence classes must be posted at least one hour before the starting time of the class. The courses must be clearly visible to a mounted rider and must be easily accessible. Jump orders, if used, must also be posted one hour before the start of a class. Jump orders are suggested in jumper and equitation classes. Orders should be varied so that the same rider does not start every class. (See USEF Rule Article 2713 for methods of selecting jump-orders.) Fence heights and distances between fences less than 90 feet apart must be measured with a tape or wheel and not estimated. Distances must be measured along the ground, from the base on the landing side of the first jump (the spot directly below the outermost element of the jump) to the base of the takeoff side of the second jump (the front-most element of the jump, including the base of coops, roll-tops and ground lines). Course changes from one class to the next should be reduced to avoid delays in the show. People and/or organizations planning hunter/jumper shows should have a knowledgeable person to design and set up the courses. The UHJA Horse Show Committee can be contacted for assistance in finding someone to fill this position.

6. SHOW CONDUCT: Show management is responsible for assuring that the Judge has a clear line of vision during the classes. The area that the Judge is in should be raised and covered, if possible, and should be located in an area where the Judge will not be distracted by conversations going on around him. The Judge should not be approached by anyone, concerning the performance of any rider or horse, during the show. People wishing to talk to the Judge about their performance should arrange to do so through the show's Steward. Judges should be given a scorecard and course diagram for each class that gives the class specifications as they appear in the premium list.

Schooling in the ring and over any obstacles on an outside course can be allowed only during the times specifically stated in the premium lists. If any unusual show condition will exist (i.e., showing on grass) or a different type of jump will be used (banks, ditches, water, etc.), this must be stated in the premium list. If schooling can be made available before the show, the dates and times should also be published in the premium list.

Only authorized people (Judge, Steward, show photographer, ring crew, etc.) may be allowed in the ring during a class. Small children must be supervised at all times on the show grounds.

Show management will be responsible for control of dogs and enforcing local leash laws. Each show must state in their premium what the rules for that show are. People should not be allowed to sit on or hang on the arena fence, and having people sitting on the ground, immediately outside the arena fence, should not be allowed. The above things should be announced several times during the show and should be enforced by the show's management.

The USEF rule book will be used if specific rule is not covered in the UHJA rule book.

ARTICLE XII -- SCHOOLING SHOWS

INTRODUCTION

Schooling shows provide a time when riders can meet in an atmosphere of friendly competition. Schooling shows serve several functions. One is to give inexperienced horses and/or riders a chance to ride under show conditions. Another is to give more advanced riders the opportunity to work on any problems they may have encountered with their horses in the show ring. A third is to get riders and/or horse that have not shown in a long time back into the ring.

The atmosphere of the schooling show should be relaxed and enjoyable. Regulations regarding dress or appointments may be waived, but of course those for safety are not.

To accommodate beginners, schooling shows should offer such classes as maiden, novice and limit, so that horses and riders can compete with others on the same level of experience. In this way, they can gain confidence and enjoy showing rather than look on it apprehensively. For advanced riders and horses, there should be classes run under the same conditions as offered in approved shows, so that they will truly be able to "school" horses on their weaknesses.

Of course, there is a certain code of ethics that should be observed by competitors at a schooling show. The horse show management has no way of checking the status of a horse or rider, nor would such police work be consistent with the atmosphere of the show. People must be guided by their own consciences in choosing classes to enter.

REQUIREMENTS

The UHJA and USEF rules should be followed as closely as possible. If any rules are not followed, or are changed, exhibitors should be notified. Exhibitors just starting to show should be made aware of the actual rules so they will know what is expected in a recognized show.

CLASS SUGGESTIONS

Any classes listed in the UHJA or USEF rule books, and any of these classes for maiden, novice, limit, etc., horses and/or riders.

POINTS

No points are given in any schooling show. Participation in schooling shows has no bearing on the eligibility of a horse or rider at recognized shows.

PRIZE LIST REQUIREMENTS

Premium lists, containing classes, dates, Judges, location, fees, etc., should be mailed out to UHJA members in advance of the show to insure participation.

DATES

Shows should be held on an open date so as not to conflict with other activities. Please contact the UHJA Horse Show Committee to check on the availability of dates.

FEES

Fees charged will be left up the show's management.

FACILITIES

Whenever possible a schooling show should be held within an arena. All safety precautions should be taken when using an outside course. (See page 6 of this Rule Book for a list of facility requirements for an approved UHJA show.)

JUDGES

Any knowledgeable horse person.

If more than three family members want to be eligible to vote, an individual membership must be purchased for them.

Section 2. Letter Ballots

Voting by proxy is prohibited in non-profit associations where membership is individual, personal, and non-transferable. A proxy vote permits someone else to execute your ballot either by letting them choose who or what you are voting for or by having them handle your ballot (mailing it for you or bringing it to the voting meeting). Voting by letter ballots will be allowed if the ballot is received by the secretary of the Board of Directors before the actual day of the voting meeting.

This means a member may vote in one of two ways:

- 1) **Hand carry their own ballot** to the meeting (ballots will be available at the meeting), or
- 2) **Mail in their ballot.** Mailed in ballots must be in a separate envelope for each voting member (family members may send in their ballots in one envelope). The name(s) of the voting member(s) and "ballot" must be written on the envelope.

Section 3. Methods for Voting

All voting will be done by a show of hands unless a motion is made for the voting to be done by secret ballot. If that motion is carried two people will be appointed, by the President, to count the ballots. An actual count will be taken and recorded. Exception being taken at the rule change and the election meeting that is held in November.

Section 4. Elections Voting

In order to be eligible to vote at the November election and rule change meeting, an individual must be a UHJA member before the date of the October meeting where nominations are taken and rule changes are proposed.

Voting by proxy is prohibited in non-profit associations where membership is individual, personal, and non-transferable. A proxy vote permits someone else to execute your ballot either by letting them choose who or what you are voting for or by having them handle your ballot (mailing it for you or bringing it to the voting meeting). Voting by letter ballots will be allowed if

the ballot is received by the secretary of the Board of Directors before the actual day of the voting meeting.

This means a member may vote in one of two ways:

- 1) **Hand carry their own ballot** to the meeting (ballots will be available at the meeting), or
- 2) **Mail in their ballot.** Mailed in ballots must be in a separate envelope for each voting member (family members may send in their ballots in one envelope). The name(s) of the voting member(s) and "ballot" must be written on the envelope.

Section 5. Rule Change Voting

Proposed rule changes must be submitted in writing and will be discussed at the October meeting. Proposed changes should show the current rule and the proposed changes. Those present at this meeting will vote on whether or not to place the rule change on the November ballot. Ballots showing the proposed changes discussed and voted on at the October meeting will be sent out with the November meeting notice to all members eligible to vote. The ballot may be returned in the mail (in an envelope with the member's name and "ballot" marked on the outside of the envelope) or members may vote at the meeting. (See Article II, Section 2 above)

If there is a tie in voting for a rule change or bylaw change, that tie will be broken by a vote of the board of directors in attendance at the voting meeting

Section 6. Quorum

All eligible members voting (those attending and voting by letter ballot) will constitute a quorum. A majority of said quorum will pass all regular business brought before the membership.

Section 4. Budget

Board of Directors will approve a budget at the beginning of the year.

ARTICLE VIII -- AMENDMENTS TO THE ARTICLES AND BYLAWS

Section 1. Proposed Amendments

All proposed amendments to the Bylaws must first be presented to the Board of Directors for review and then submitted to the membership, as a recommendation from the Board of Directors, for approval.

Section 2. Voting on Amendments

All amendments to the Bylaws will be voted on by a quorum as stated in Article V. A majority vote of that quorum will constitute passage. The text of all proposed amendments will be included in a written meeting notice to all members. This notice must be postmarked at least fifteen (15) days before the scheduled meeting. The notice will include the old Article, the new Article as proposed, and any remarks, explanations and/or comments. Voting by proxy is prohibited in non-profit associations where membership is individual, personal, and non-transferable. A proxy vote permits someone else to execute your ballot either by letting them choose who or what you are voting for or by having them handle your ballot (mailing it for you or bringing it to the voting meeting). Voting by letter ballots will be allowed if the ballot is received by the secretary of the Board of Directors before the actual day of the voting meeting.

This means a member may vote in one of two ways:

- 1) **Hand carry their own ballot** to the meeting (ballots will be available at the meeting), or
- 2) **Mail in their ballot.** Mailed in ballots must be in a separate envelope for each voting member (family members may send in their ballots in one envelope). The name(s) of the voting member(s) and "ballot" must be written on the envelope. Changes to the Horse Show Manual & Rule Book voted on at the November meeting will remain final for the remainder of the coming show year.

Section 3. Repeal of By-Law Amendments

In the event seven (7) or more members that voted on an amendment to the Bylaws desire to protest that amendment or question the wisdom of it, they will do so through a written petition subscribed to by them and presented to the Board of Directors. Receipt of the petition will require the President to call a meeting of the Board of Directors to submit the petition to them for their review and then present it to the membership to be re-voted on.
